6-tier Lockers

Provide High Density Storage For Individual Belongings and Supplies

Great in classrooms, laboratories, gymnasiums, sports and recreational facilities, and more. Doors with padlock attachments have door pulls - doors with built-in locks have no pulls. One-point latching system.

- Four, five and six-tier lockers have one-point latching systems. Doors are equipped with padlock hasps with door pulls.
- Number plates are available as accessories, see below.
- Heights shown do not include legs-add 6" to height for legs.

NOTE: In the interest of safety, Lyon strongly recommends that lockers be floor and/or wall anchored.
